JANUARY: NEW YEAR'S ACCOUNTABILITY

Community Spotlight: In December, the JEMS 126 community came together in the spirit of leadership and kindness to donate gifts and brighten the season.

Happy New Year JEMS 126 Families! It is hard to believe we are nearing the halfway point of the school year. As we wind down the final three weeks of the 2nd marking period, we are talking to students about **Accountability** – how we take responsibility for our actions and decisions – both celebrating our triumphs and learning from our mistakes.

All students will have the opportunity to reflect on how they have grown from the start of the school year to now when we take our Reading and Math iReady diagnostics later this month. Marking period 2 report cards will come out on January 31st.

There are 20 school days in January. Make the commitment to have your child in school for all of them as we kick off 2025 and look ahead to continued success. Thank you as always, for your support.

Value of the Month:
Accountability – Taking responsibility for the choices you make and owning up to your actions.

Upcoming: Students who are eligible will be visiting the Museum of Modern Art this month – please reach out to Ms. Peggy with questions or if you need new permission slips.

Join us for our PTA Meeting,
January 23rd!

Ask your child about...

- What can you improve upon in the next three weeks before the marking period ends?
- What does it mean to be accountable?
- What are you looking forward to in 2025?
