NOVEMBER: MONTH OF GIVING

Student Spotlight: After school kicked off last month and our Soccer Team had multiple away games, competing and exploring the city. Go Eagles!

November marks the end of one marking period and the start to another. With one quarter of the school year complete, students have a good sense of where they are starting and where they need to grow. Use this opportunity to take stock of both highlights and challenges and set goals for the coming 3 marking periods. Parent Teacher Conferences are a great time to do just that.

It is our goal that all students participate in extracurriculars. This year we have offerings in academics, STEAM, the arts, music, dance, design, community. Building and athletics. In other words, something for everyone. If you have not yet signed up your students for an after-school activity, whether it be once a week or every day, now is the time. With your help, we can meet our goal and ensure that every student has the chance to learn more about their interests and deepen their passions. Reach out if you have any questions.

UPDATE: Our Sunshine Care Closet is Open! This is a resource for students and families providing food, new clothing and hygienic supplies. If you need any of these resources or if you have a contact in the community looking to donate materials for the Care Closet, please reach out to the PTA or to Ms. Diaz!

VALUE of the MONTH:
This Month, we are talking about **Generosity** - Giving time, attention, help, support, or resources without expecting something in return.

Upcoming: Fall Parent Teacher Conferences will be held on **November 13th** from 1 - 3 pm and 4:30-7:30 pm. **These conferences will be virtual.** You can sign up to speak to specific teachers of a member of our team will be calling you to update you on your child's progress.

- Ask your child about...**
- **What is something you can do for someone else at school?**
 - **How does being grateful connect to generosity?**
 - **What activity have you signed up for after school?**
